Summary

I am a PhD candidate at the Annenberg School for Communication, University of Pennsylvania. My research explores the visual representation of social identity in Latin American political communication using computer vision techniques. My dissertation project leverages Urban Visual Data to study how out-of-home political advertisements influence electoral outcomes in Mexican elections.

Education

Annenberg School for Communication, University of Pennsylvania , PhD in Communication – Philadelphia, PA, USA	Aug 2022 – present
Annenberg School for Communication, University of Pennsylvania , Master of Arts in Communication – Philadelphia, PA, USA	Aug 2022 – May 2024
Universidad Panamericana , Bachelor of Arts in Communication – Mexico City, Mexico	Aug 2014 – May 2018

Awards

Fulbright García-Robles Scholarship Awarded by the US-Mexico Foundation (COMEXUS)	2022

Certificates

Summer Institute in Computational Social Science Awarded by the University of Pennsylvania	June 2026
Certificate in College and University Teaching Awarded by the University of Pennsylvania	2025

Research Positions

Politics, Identities, and Communication Lab – Annenberg School for Communication, University of Pennsylvania Research Fellow - Co-authored ‘WhichTok? Comparing Three TikTok Data Acquisition Tools’ (Jeon et al., 2025, under review), contributing to theoretical conceptualization, writing, reviewing, and editing. - Ongoing project: ‘Aligned identities, curated politics: Mapping political expression on TikTok across the ideological spectrum’, contributing to theoretical conceptualization, formulation of overarching research goals, methodology design, computational visual analysis of over 5000 TikTok videos, writing, reviewing, and editing. - Ongoing project: ‘What do engagement metrics measure? Strategic optimization and content characteristics in AI-related content on TikTok’, contributing to theoretical conceptualization, formulation of overarching research goals, methodology design, computational visual analysis of over 2000 TikTok videos, writing, reviewing, and editing.	May 2025 – present
Center for Advanced Research in Global Communication – Annenberg School for Communication, University of Pennsylvania Research Fellow	Aug 2022 – Aug 2023

- Worked under Dr. Juan Llamas Rodríguez's supervision on the development of a mixed-methods study on the representation of gender and skin color stereotypes in Mexican telenovelas and TV series (a report commissioned by the Luminate foundation).
- Co-authored 'Poder Prieto: Media, Colorism, and Cultural Activism in Mexico' (Llamas-Rodríguez and Téliz Martínez, 2026, in press), contributing to theoretical conceptualization, formulation of overarching research goals, writing, reviewing, and editing.

DragonLab Consultants – Mexico City, Mexico

2021 – 2022

Researcher

- Participated in the research consulting project titled 'Analysis of Court Rulings with Gender Perspective'.
- Analyzed and coded the content of 342 court rulings to determine if Mexican judges use gender perspective adequately.
- Performed the statistical exploration of the data sets obtained from said content analysis.
- Synthesized the results from the content analysis into a report that Mexico's Judiciary will use to evaluate the nation's Protocol to Judge with Gender Perspective.

Facultad Latinoamericana de Ciencias Sociales (FLACSO) – Mexico City, Mexico

2018 – 2022

Research Assistant

- Analyzed data and designed visualizations for a research project about the gap between political and economic globalization.
- Coordinated a research consulting project to identify the strengths and weaknesses of the evaluation system of information transparency for the National Institute of Access to Information and Personal Data Protection.
- Developed an academic program and created didactic content for the National School for Women of the Institutional Revolutionary Party, empowering female members through education on gender perspective, political representation, and communication strategies.
- Created educational content for the Migrant-e project (led by the Universidad Nacional Autónoma de México), teaching undocumented immigrants in the United States about their rights and safety tools.

Teaching Positions

Introduction to Communication Behavior – Annenberg School for Communication, University of Pennsylvania

Jan 2026 – May 2026

Teaching Fellow

- Provided individual assistance and clarification during dedicated office hours.
- Assisted the instructor with logistical tasks, such as managing the online learning platform and maintaining grade and attendance records.
- Graded and provided dedicated feedback for assignments and final papers.

Children and Media – Annenberg School for Communication, University of Pennsylvania

Aug 2024 – Dec 2024

Teaching Fellow

- Provided individual assistance and clarification during dedicated office hours.
- Assisted the instructor with logistical tasks, such as managing the online learning platform and maintaining grade and attendance records.
- Graded and provided dedicated feedback for assignments and final papers.
- Assisted in designing and grading exams.
- Taught lecture on racial representations in children's media.

Quantitative Methods for Communication Research – Universidad Panamericana, Mexico City

Jan 2020 – Dec 2022

Instructor of Record

- Served as the Instructor of Record for an undergraduate-level course, delivering all lectures and directing all class activities for the Communication major.
- Introduced the programming language R into the curriculum as the main tool for learning Quantitative Methods.
- Designed all educational materials, including original slides, assignments, tests, and lab activities.

- Held regular office hours for student assistance and managed the grading of all assignments, including weekly lab activities and final projects.
