Summary

I am a PhD candidate at the Annenberg School for Communication, University of Pennsylvania. My research explores the visual representation of social identity in Latin American political communication using computational methods.

Education

Annenberg School for Communication, University of Pennsylvania, PhD in Communication – Philadelphia, PA, USA Aug 2022 – present

- *Certificate in College and University Teaching* awarded in 2025 for my training and experience in higher education teaching

Annenberg School for Communication, University of Pennsylvania, Master of Arts in Communication – Philadelphia, PA, USA Aug 2022 – May 2024

Universidad Panamericana, Bachelor of Arts in Communication – Mexico City, Mexico Aug 2014 – May 2018

Awards

Graduate Scholarship in Sciences and Humanities 2025

Awarded by the Ministry of Science, Humanities, Technology and Innovation of Mexico (SECIHTI)

Fulbright García-Robles Scholarship 2022

Awarded by the US-Mexico Foundation (COMEXUS)

Research Positions

Politics, Identities, and Communication Lab – Annenberg School for Communication, University of Pennsylvania May 2025 – present

Research fellow

- Co-authored "WhichTok? Comparing Three TikTok Data Acquisition Tools" (Jeon et al., 2025) with the following contributions: theoretical conceptualization, writing, reviewing, and editing.
- Co-authored "The Woman in the Machine: Gendered AI Imaginaries and Folk Theories on TikTok" (Monzer et al., 2025) with the following contributions: computational visual analysis of TikTok data, writing, reviewing, and editing.
- Ongoing participation in research project on political self-presentation in TikTok with the following contributions: theoretical conceptualization, formulation of overarching research goals, methodology design, computational visual analysis, writing, reviewing, and editing.

Center for Advanced Research in Global Communication – Annenberg School for Communication, University of Pennsylvania Aug 2022 – Aug 2023

Research fellow

- Worked under Dr. Juan Llamas Rodriguez's supervision on the development of a mixed-methods study on the representation of gender and skin color stereotypes in Mexican telenovelas and TV series (a report commissioned by the Luminate foundation).
- Co-authored *Poder Prieto: Media, Colorism, and Cultural Activism in Mexico* (In press) (Llamas-Rodriguez and Téliz Martínez, 2026) with the following contributions: theoretical conceptualization, formulation of overarching research goals, writing, reviewing, and editing.

Teaching Positions

Children and Media – Annenberg School for Communication, University of Pennsylvania

Aug 2024 – Dec 2024

Teaching fellow

- Provided individual assistance and clarification during dedicated office hours.
- Assisted the instructor with logistical tasks, such as managing the online learning platform and maintaining grade and attendance records.
- Graded and provided dedicated feedback for assignments and final papers.
- Assisted in designing and grading exams.
- Taught lecture on racial representations in children's media.

Quantitative Methods for Communication Research – Universidad Panamericana, Mexico City

2020 – 2022

Instructor

- Served as the Instructor of Record for an undergraduate-level course, delivering all lectures and directing all class activities for the Communication major.
- Designed all educational materials, including original slides, assignments, tests, and lab activities.
- Introduced the programming language R into the curriculum as the main tool for learning Quantitative Methods.
- Held regular office hours for student assistance and managed the grading of all assignments, including weekly lab activities and final projects.
